**Kenai River Campus (KRC)**
Located on the banks of the Kenai River on more than 300 wooded acres and as a complement of about 2,200 students each semester, you will find a real sense of community on this campus. Small classes, individual attention, and highly qualified faculty give the campus a private college feel. A new Career and Technical Education Center offers world-class educational opportunities in Process Technology, Instrumentation and Computer Electronics. Students can live on campus in a new, state-of-the-art Residence Hall in apartment-style suites. Each suite has four private bedrooms, two bathrooms (each shared by two students), complete kitchens and comfortable dining and living areas.

**Kachemak Bay Campus (KBC)**
Commanding a beautiful view of Kachemak Bay and Chest Inlet, KPC's Kachemak Bay Campus serves as the focal point of the college's programs and services on the southern Kenai Peninsula. KBC offers a variety of degree programs and life enrichment courses to almost 700 students each semester. KBC's warm and welcoming faculty and staff make everyone feel welcome at this special place on the Peninsula.

**Resurrection Bay Extension Site (RBES)**
KPC delivers classes to the eastern Peninsula community of Seward and outlying communities via an extension site. Expert adjunct faculty is present to offer a broad general education curriculum and interesting courses. KPC has a part-time coordinator who works inside Seward High School.

**Anchorage Extension Site (AES)**
KPC delivers classes to more than 200 students in the Anchorage area at UAA's University Center entrance. The AES offers 19 degree programs in process technology, environmental safety and health. The friendly faculty and staff are located on your campus.

WELCOME TO KENAI PENINSULA COLLEGE

Welcome to Kenai Peninsula College! KPC delivers a private college experience at a public university cost at the Kenai River Campus in Soldotna, Kachemak Bay Campus in Homer, Resurrection Bay Extension Site in Seward and Anchorage Extension Site.

Our faculty and staff are top notch, student-oriented professionals who will do their utmost to make your educational experience a rewarding one. We pride ourselves on small classes, outstanding student service, personal attention from our faculty and staff and a warm family-like atmosphere.

The University of Alaska Anchorage guarantees the Kenai Peninsula and all of Alaska the best educational value for your dollar investments. Our student population is diverse and campus offerings, and we are always adding new courses to meet the needs of the Kenai Peninsula community and State of Alaska.

KPC is a leader in the University of Alaska system in delivering learning classes. In the most current semester, KPC offered more than 300 sections of distance learning courses. The majority of KPC students are taking at least one class in a learning mode each semester.

As part of the community campus system of the University of Alaska Anchorage, we aspire to become a frontier of learning, creativity and discovery— a university of first choice in Alaska and the Pacific Northwest. To those of you who have yet to visit one of our four locations, we encourage you to check KPC’s newly designed website and experience the college by taking a virtual tour. Join the students who have discovered that KPC is a college of first choice. For those who are not strangers to our classrooms, welcome back!

KPC offers the following industry certification programs

- Emergency Medical Training I, II, III
- Paramedic
- Certified Nursing Assistant
- Registered Nurse
- General Education Diploma
- American Welding Society certifications
- American Society of Mechanical Engineers welding certifications
- NICET Instrumentation Technician Level II
- ISA Certified Control Systems Technician Level II

KPC offers 14 industry-based, real-world certifications and 4 four-year broad-based baccalaureate degree programs.
